Distinguished Guest:

### **The Honorable Douglas H. Palmer** ***“The Trenton Literacy Movement”***

The Trenton Literacy Movement Inc. (TTLM) is a 501 (c)(3) organization that seeks to galvanize partnerships between the greater Trenton community and Trenton Public Schools to wipe out Trenton’s literacy crisis. Our mission is to ensure that all Trenton school children read at grade level by third grade.

***75% of Trenton students cannot read on grade level by third grade.***

TTLM’s support of summer and after-school pilot programs and recent in-class use of the most effective software-based reading tutors available has yielded positive results. As a result of these efforts TTLM has demonstrated the value of computer-based instructional aids, leading to adoption of these aids in all Trenton elementary schools for the 2017-2018 school year.

The Honorable Douglas H. Palmer, Board Chairman for **The Trenton Literacy Movement, Inc.**, formerly served as the Mayor of the City of Trenton from 1990-2010. He is a nationally-respected expert in matters related to urban policy and community development and is presently the CEO and President of Douglas H. Palmer and Associates, LLC, a company specializing in inter-governmental and corporate consulting. A thirty-year public servant, Mayor Palmer has received numerous state and national awards for his leadership in and contributions to civic life and urban development.

**Sit, relax, and break bread with folks from your community.** Conversation is encouraged! Our meals are offered as “donate what you can” on the third Friday of the month, 10 months per year. All net proceeds are donated to our hunger partners: Trenton Area Soup Kitchen, Mercer Street Friends. Bread for the World, and Episcopal Relief.

**One Table Café is a community supported restaurant** where all are welcome regardless of race, gender, country of origin, religion, sexual orientation or ability to pay. Dinner is served by an all volunteer staff and dress is casual. Children are welcome.
